

Inspecta Sertifiointi Oy has granted a product certificate to

Tata Steel Naantali Steel Service Centre Oy

Rautakatu 5, 21110 Naantali, Finland

to certify that Inspecta Sertifiointi Oy has verified that the following products of the company and their manufacturing quality assurance fulfil the requirements set in the requirement documents

EN 1090-2:2008+A1:2011, EN 1090-1:2009+A1:2011 clause 6.3

Prefabrication of structural steel components according to EN 1090-2 including mechanical cutting.

Execution classes EXC1, EXC2, EXC3 and EXC4.

Place of manufacture: Naantali, Finland

The company is entitled to use the certification mark on products fulfilling the requirements.
The certificate holder is responsible for ensuring that the products comply with the requirements.

The certificate is issued on 2015-12-28
(first issue 2013-06-11)

Tomi Kasurinen, Managing Director

The certificate is based on initial inspection and type testing. The certificate shall remain valid until further notice provided the requirements set in the General Rules for Product Certification and the above-mentioned product group specific requirement documents are continuously met.
The validity of the certificate can be checked on the Internet at www.inspecta.fi
